

## Direct Premium Remittance System - Web (DPRW) Customer User Acceptance Testing (CUAT) – Announcement

October 3, 2023

Reference Number: NFC-1696342220

Dear Customer,

The National Finance Center (NFC) is implementing enhancements to the DPRW Web Portal in the very near future. We would like to invite DPRW users to a limited Customer User Acceptance Testing (CUAT) opportunity.

A limited number of Office of Personnel Management (OPM) users, Human Resource (HR) users, and Tribal Benefit Office (TBO) users will be allowed to test the new functionality. We are providing advanced notice that this testing opportunity is coming soon. The CUAT testing window will be approximately 10 days and we are asking our DPRW customers to ready yourselves for this testing opportunity by beginning to identify your testers. Forms to collect Agency point of contact information, a CUAT testing timeline with important dates and the process for defect reporting will be forthcoming.

Please reach out to the Government Insurance Services Branch at [nfc.dprw.testing@usda.gov](mailto:nfc.dprw.testing@usda.gov) with any questions regarding this notice. We are looking forward to working with you on testing the new DPRW functionality.
